

# Basketball End of Season Tournament

**Rules:** All local league rules apply except for changes below

1. Pool Play: PSA will seed the bracket from entire season in this order: winning percentage, win/loss record, head-to-head play, points allowed and then points scored.

2. Bracket Play will be timed. Once time has expired and the game is tied, then the game will go into overtime with 2-minutes with 1 timeout. Double OT: The game will be decided by each coach picking a player to shoot free throws, until one team makes and the other misses. (The same players can shoot free throws if both make).

The home team will always be the higher seed. Brackets will be posted online under documents and will be updated with teams once pool play is complete.

3. Players needed to play: You must have 4 players to start the game and must have 4 players to end the game. Teams who need to wait for players to arrive to have enough to play, will receive a 10-minute grace period from game start time. If a player is injured during the game or fouls out and players drop to 3 players, then the game is forfeited. The opposing team may still play with 5 players even if the other team has 4 players.

## **Notes:**

1. During bracket play, there will be a \$5 gate fee. (6 yr. olds and below are free) Any PSA player is free even if they are not playing that day. Coaches and Assistant Coaches are free. Coaches and Assistant Coaches must sign in at the Main Gate! It will be tickets handed out. No outside coolers or food.
